Hi Jordan,

Attached is the NR and Backgrounder for today. Obviously all embargoed until 2pm, but so you know what's coming.

KMs/QAs still getting tweaked but will get to you as soon as I can.

Cheers,

Thanks - appreciate that. Even draft for me is fine so that I have a sense as to how things are going to be positioned.

Your optimism that we'd have this finalized by now is touching!

Will send as soon as I can.

Hi Sam,

Are you able to share the materials and KM and Q&A for today's legislation and announcement? While we don't have a prominent role in the announcement, it would be good to understand more clearly how the government is positioning everything. I expect at some point we could get a media inquiry regarding the legislation and our role in the processes described within.

-Jordan
