Hi Jordan

Can you let me know how you want to proceed with this? Given that it is next week, I want to be sure that we get it into Peter's calendar before he is booked. I am happy to send on to Dianne with an explanation and copy you.

Thanks
Tabatha

Hi All

Please see attached an agenda for the next Energy Roundtable. In the past Bruce would receive an invitation from the MO's office, has that come in yet?
I spoke to Peter about the table when he first started, but can prepare a note on the members for him. From our perspective, this would be a good opportunity to discuss the implementation plan and as part of his update he can discuss the Symposium and the engagement we are undertaking on the first two LTEP directive items.
Please let me know if you want me to coordinate with Peter or if you will.

Thanks
Tabatha

Hi Tabatha,

We recently received the draft agenda for the next First Nations-Ontario Energy Table, scheduled for Nov. 22 from 6-8 pm at the Chelsea.

We haven't received much head's up on this, so sharing asap.

Dave is leading from our team, so feel free to connect with him.

Thanks,

Emma
