Subject: Briefing Notes - For Review
Attachments: AMD-OPG Pilot Briefing Note Feb.7 2018.docx; H1 Briefing Note 2.6.18 F.docx

Terry,

Please find attached two briefing notes that have been prepared to support two of Peter's upcoming discussions. The first is for the OPG/Dofasco meeting and the second is to supplement and support the materials that have been prepared for the HONI Board dinner. Please let me know if you have any questions or comments before these are sent to Reena. We will be sending an additional note later today for the EDF conference Peter is attending next week.

Thanks
Carrie
