Hi Mary Ann / Jordan: Since we're meeting tomorrow, wanted to check in on the "preliminary" input on the three products that we sent around last week.

Not unlike how we treated the Fair Hydro Plan morning meetings, we'd like to be able to send materials around in advance of the meeting. Hope this double.

If you have any questions, please let me know.

Thanks, Steen

Hi Mary Ann / Jordan: per our discussions earlier in the week, please find attached three products for agency input.

1. Friendly Q&A
2. Status Table
3. Swim Lanes Chart

Jordan, with respect to item 3, can you identify which recommendations you would expect Len and Glen to speak to if asked?

In terms of timing/next steps, I believe we're meeting next Thursday with Rose, Peter and Serge. It would be great if we could get "preliminary" input on the three products by next Wednesday. Please share the updated materials with Hilary.

If you any questions, please give me a call. Have a great weekend everyone.
