Subject: Election Platforms summary
Attachments: Summary - All Platforms - Feb 9-18.docx

Here's a summary of the platforms. I didn't get in to the Liberal platform too much since it's our Day-to-day, but identified a few areas for comparing and contrasting. I added a cell at the bottom to capture the relevant PC party policy recommendations that pre-dated the convention and policy platform that did not make the platform (explicitly) – just in case they reappear in some form. The NDP have their hydro policy doc but it's thin. I didn't do too much digging on the GP, but they had some policy in their recent budget submission.

Thanks,
David
