Subject: Board Strategy Note
Attachments: BriefingNote_2018 Election_draftfinal_March 26, 2018.docx

Hi Jessica,

Terry had asked for a document that could be shared in advance with the Board for the afternoon strategy session. Attached is a document that outlines the energy policy to date, along with some helpful information about the writ period and how the IESO will function.

Please let me know if you've got any comments or edits. My apologies for the delay in sharing this with you sooner.

Cheers,

Jordan
