Hi Lia, I updated the cover slide so it follows our usual materials. I have some comments on slide 2 to ensure alignment with the 2017 Annual Report or to consider is whether we have that slide at all.

Thanks,
David

Hi folks,

As part of our quarterly reporting, we are meeting with MoE staff tomorrow to review 2017 results vs plan (please see attached). We are keeping the presentation at very high level, just ensuring that we meet the MOU requirements of reporting results.

David has been invited to join the meeting. Please let me know if you have any feedback or concerns with the material – I will wait to hear back from you before emailing externally.

Thanks,

Lia
