Terry -

Jordan, Carrie, Tabatha and I are meeting on Thursday to discuss plans to operational our various "strategies", so you'll see something from us next week.

Peter's comments about improving communication and engagement with mgmt re: FHP and Dona Brent's comments re: more opportunity to engage with ELT reinforce the need to work on our internal Comms plan but I think this goes beyond Comms.

Have you given more thought as to how much you want us to be partnering with Marcia on this?

Jessica

Your comments at the management team meeting this morning on an outreach plan post-election reinforced the need for this. Can you please provide some timing on when I will see something. Thanks.

Subject: ELT outreach

What's the status of the ELT outreach program where we were going to assign speaking/presentation targets for each member of ELT? Should we include customer visits in that?
