Subject: Risk update for Board
Attachments: BoD Memo - ERM Update v2.docx; AIS - ERM Update.docx; Attachment A - ERM Update - ERM Risk Register.docx

Kim,
Attached please find the materials to provide an update on risk work to the Board. I have reviewed and discussed these with Alexander.

The approach was intentionally at high level in consideration of the strategy work that is still ongoing. A more fulsome update will be provided in April, in tandem with the aligned strategy material.

We look forward to your feedback.

Thanks,

Lia
