To Foundation Members

As a member of The Kidney Foundation of Canada, Ontario Branch, thank you for sharing the Foundation's spirit of commitment and caring. It is through your interest that we are able to make a difference in the lives of kidney patients and their families.

There are many ways your membership with the Branch supports our work: increasing awareness for organ donation, funding research and providing outstanding patient services. As an active member you also help the Foundation to develop relevant innovative programs.

The benefits of membership are:

- Your membership provides an opportunity for you to share in Foundation news through your subscription to Kidney Living.
- You are eligible to join committees that develop programs to improve the quality of life of people living with kidney disease.
- You may participate at the Branch Annual General Meeting on May 6, 2017 with voting privileges.
- You are eligible to elect members of the Chapter and Branch Boards.
- "There is strength in numbers" – your membership becomes a voice as we call out to governments to help those living with kidney disease.

Given the importance of your role and the benefits associated with being a member, I trust that you will renew your membership today; form attached. Please note, you may fax the form to 905-271-4990 if you are paying by credit card.

If you have renewed your membership for 2017 through your local Chapter thank you once again for your continued support!

Sincerely,

Jim O'Brien
Executive Director
