Barb,

Please find attached the latest PPDR for submission to the ELT. I am not sure when the next ELT meeting is so we could send as an e-mail like we did last time. I don't want to lose the opportunity to speak to the ELT on a monthly basis as I think it is important to talk to the projects that are red and also highlight broader issues that contribute to our challenges with delivering projects on time and budget, however given the limited ELT meetings through the summer it is probably best to send out via e-mail for the next one.

Let me know your thoughts.

Thanks,

Nicholas Ingman, P.Eng. Director, Enterprise Change
