Subject: For Review - Project Portfolio Update - July 2018

Please find attached the Project Portfolio Dashboard Report for July for your review and comment. We plan to publish the report, next Tuesday August 21st so please let me know if you have any comments or concerns by end of day on Monday.

A few items of note:

- Two projects from the Portfolio are In-service, one is closed and three are completed.
- The following project has turned Red since the last report:
 - o EDI Reporting Phase out – PER has been circulated for approval.
- Project Exception Reports have been approved for:
 - o ORI-Interchange Enhancements
- We have scheduled meetings with members of the ELT and MNP for the week of September 17th to provide an update and get your feedback on our assessment of the current project governance framework.
