Subject: summit registration list
Attachments: master summit list June 2.xlsx

Hi Terry –

Here is the updated registration list.

So far, the summit has been communicated through the Bulletin, conservation e-blasts as well as sent to everyone who has attended a stakeholder meeting in the past year, a variety of market participant contact lists and conservation channels, such as the business managers. We will be personally inviting people who are not on the list that we think should be there.

Thanks – Rob
