Brian,

Please find attached some additional edits. Do you think we should include a reference to talking to your VP if you have any questions? I know some of the VPs are new, but I don't think we should send all employees to a single contact, either.

Subject: Email from Peter

Brian,

Peter would like to send out an email to staff regarding some of the comments that have been made around the AG's audit and FHP. Can you please take the content found in the attached statement and pull together an email that could come from him? We're hoping to send it out today, so it might need to be a quick turnaround.

Let me know if you have any questions. Anthony and I can help support as necessary.

Cheers,

Jordan
