Hi George,

The January 24 ICA stakeholder deck is now available. This deck speaks to the locational considerations that we've discussed with the ICA team over the last several months, but they also have a section on cost recovery.

Passing this along so you and your team is aware of the issues/topics that are being discussed.

Bonnie

Subject: ICA Meeting Materials

Please find attached materials and agenda for the next ICA stakeholder meeting scheduled for January 24th. These materials will be posted on the ICA webpage shortly.

Please note that there will be one additional presentation from the Brattle Group which will discuss a proposed approach for demand curve development. This presentation is being finalized and will be circulated and posted to stakeholders in the next day or so.

Stakeholders wishing to participate in this meeting but have not already done so can contact engagement@ieso.ca for further details and to register.

Regards,
IESO Engagement
