Apologies, I forgot to attach the summary and actions from our last meeting. Prior to the meeting, I will also prepare and circulate a high level summary of each province's & national climate policies and funding mechanisms.

Hello everyone, I am looking forward to the meeting on May 18. Based my discussions with each of you, I have put together the attached agenda for the day. It is very full, so I will try to make sure we cover each of the main topics, while keeping the discussion fluid and engaging.

Logistics: I will set up a breakfast reservation for 7am at a restaurant near the meeting location (tentatively set for the restaurant at the Westin, around the corner from Energy Efficiency Alberta's office). An outlook invite will follow, attendance is optional. From there we can head over as a group to minimize the number of times Bonnie has to let us in. Meeting will run from 8:15ish to 4. Lunch and coffees will be provided at EEA's office.

Also, Monica is setting up a dinner for us the night before with a few of her Board members. More details will follow.

If you need anything, feel free to call or email me. Looking forward to seeing everyone in Calgary.

Andrew
