Dear Conrad,

I wanted to make sure you have no further comments to add on the Final Draft Report for SOIG 0542. I would appreciate if you could get back to me at your earliest convenience. Where your comments addressed on this last version?

Best,

Estela

Subject: SOIG 0542 Leveraging Fast-Ramping Capabilities Beyond Frequency Regulation - Draft Final Report

Dear SOIG 0542 Monitors,

Please find attached the Final Draft Report with all comments and feedback incorporated, including an Excel sheet with responses to all individual comments. In order to ensure that the final product of this research is of the highest quality

and matches your expectations, please kindly review the content of this document and provide any comments you may have, as well as payment approval accounting for 80% of the work, by **Monday, June 24th**.

Should I not receive your reply by the deadline, we will assume you are satisfied with the Final Draft Report as is, do not have any comments on the work completed to date and agree for CEATI to proceed with the payment to the contractor.

Kind regards,

Estela
