Kim,

I tried to give you a call, but I think you might be out of the office.

Kate is going to reach out to Michael and Susan and identify any comments we may want to provide on the report that would be included in the spreadsheet provided by the Ministry (attached). We can discuss this document and our responses further at the 3:30 pm meeting with the broader group today.

In preparation for estimates, we are trying to schedule a short preparation meeting tomorrow, per your request. We'll have the previous Q&A and key messages that we'll begin updating to more directly reflect the comments we now know about in the report itself. We also have a draft set of "friendly questions" that could be used as well. Tomorrow's session will be the first of potentially a few of these preparations meetings to get you comfortable with format and content.

I am available to discuss anything you may want before our 3:30 meeting, and can be reached at 416-506-2815.

Cheers,

Jordan
