

Agenda Item - Summary

Date of Meeting: August 30, 2017

Agenda Item:

Nature of Issue:¹ Supports the following strategic goals: 3,4.

Executive Summary: This is an addendum to the briefing note circulated to the IESO Board in July 2017 titled, "Summary of the Fraser Institute Report: Electricity Price Growth in Ontario." The addendum provides additional background information on the two main components that make up a typical Ontario residential electricity bill (the Commodity and Delivery costs) and a review of their relative contribution to the total residential electricity bill.

Significant Issues:² None

Decision being Sought: None

Attachments: Yes

¹ Consider whether this agenda item supports the IESO's core business and/or a strategic goal. If selecting a strategic goal, consideration should also be given to the underlying strategic objective supported.

- IESO core business activity
- Deliver superior reliability performance in a changing environment
- Drive to a more efficient and sustainable marketplace
- Be recognized as a trusted advisor, informed by engagement
- Invest in our people and processes to meet the needs of the sector

² Consider contentious issues and significant risks.
