Subject: "Fair Hydro Act" Legislative Summary - Torys' Comments

Rocco and Elliot,

Please find attached our comments on the revised draft of the summary Blakes sent out last night. In preparing your markup of this draft, we would ask you to remove all provisions that would be contained in the regulations. To assist in that, we have indicated the sections that we think should be moved to the regulations. We think this will simplify the document and make tomorrow's meeting more productive.

Please note that the attached draft is subject to the review of OPG.

I have not copied your clients on this email so please forward to them and any of your colleagues that I missed.

Many thanks,
Nina

Nina Mansoori
