I should be able to call at that time too. Need conference line though for all to call into. With Monday a holiday, likely don't have an option to wait.

Send pdf pages...easier to view remotely

Ken and John,

Was hoping to be able to find a time that you are available tomorrow afternoon to review financial targets to be presented at the ELT meeting next Tuesday. I understand that there is a Friday noon deadline to submit material.

Please let me know your availability and we can set up a call.

Thanks,
-Anthony
