Hi Scott,

We have put together a draft note on the CEA and DRC. Happy for your comments on the draft. Would you think it would be helpful to get OPG comments too, before circulating a draft to Energy for the Thursday meeting?

Cindy has the draft, but she has not yet provided comments.

Ron

Hi everyone,

Please find attached the action items from today's meeting. For any items that require providing materials for next week's meeting, please send them to me in advance by end of day Tuesday. I will ensure hard copies are available at the meeting.

For next week it would be helpful to receive materials for the following items:

- Critical paths from OPG, IESO and OEB
- OFA's comparison of the Clean Energy Adjustment with the DRC
- Draft Provincial Guarantees for the dealers from OPG

Thanks,
Martin
