Subject: Rate Mitigation Deck for Final Review

Jeff/Ken/Jennifer/Catriona,

Attached for your final review is the latest version of the rate mitigation deck for the meeting with the Ministry is scheduled for June 14. If the goal is to issue this tomorrow, then please provide any comments by midday tomorrow.

We are also working on a short “back pocket” companion deck that summarizes what we are planning to achieve at Pickering and Darlington that can be discussed verbally in any briefings. It also explains why the rate reduction opportunities do not arithmetically add (as this is not immediately intuitive). We’ll have this supplementary deck out by the end of the week.

Thanks

Carlo
