Subject: Meeting Cancellation: Special Committee Meeting of July 7 at 7am
Attachments: Special Committee_Operating Structure Action Item_ Fair Hydro_July 6_17.....docx

To: Special Committee Members

This is to advise that the Committee Chair has requested that tomorrow's meeting be cancelled. There was a very short proposed agenda comprising of updates on the Ministry Working Group meeting and the Fair Allocation Amount discussions. However, there hasn't been a Ministry Working Group meeting since the last SC meeting, and Ministry staff working on the Fair Allocation Amount have been away on vacation.

In response to the Action item taken at the June 26th SC meeting to provide the Committee with an update on the implementation of the FHT – OPG operating structure, attached please find a Management Memo in this regard.

An agenda and the materials for the next Committee meeting on July 28 will follow in due course.

Thank you,

Carlton
