DMO is calling for your comments. Do you have an ETA I can share with the DMO?
I am here for another 20 mins and can send for you, otherwise you need to send them to:

Like them both. We want to avoid defending and just indicate factual items.

I have two comments, and I make these without having read the report that you have. 1) It seems that you are taking on the defense of the FHP Plan that should be the Ministry's role. You might want to say "The Ministry may wish to have AG clarify by...." Just a suggestion. 2) the most important comment that I see for OPG is that the name "OPG Trust" is factually incorrect and should be changed throughout the document to reflect its correct legal name "Fair Hydro Plan Trust". I would put this one first on the list. Bold the words "incorrect" if you wish. I provide these for your consideration and leave to you to decide.

thx

John

I shortened our responses a little. For some reason track changes would not show up. Catriona – Perhaps a quick glance to ensure nothing seems odd in how we worded these. Good to send then.
