Auditor General to release Special Report

Auditor General Bonnie Lysyk's Special Report on the government's Fair Hydro Plan will be tabled in the Ontario Legislature on Tuesday, October 17, 2017.

The Special Report, titled *The Fair Hydro Plan: Concerns About Fiscal Transparency, Accountability and Value for Money*, was prepared under Section 12(1) of the *Auditor General Act*, which says the Auditor General can issue a special report at "any time on any matter that in the opinion of the Auditor General should not be deferred until the annual report."

Report Distribution and Online Availability: The report is expected to be tabled at approximately 10:30 a.m. on October 17. Copies of the report will be delivered to the Queen's Park Press Gallery at that time. The Report will also be available at **auditor.on.ca** after it is tabled.

Media Availability: Auditor General Bonnie Lysyk will address the media and be available to answer questions at noon in the media studio.
