All,

Please find attached revised drafts of the MTSA and the IESO indemnity. I have included a blackline of each against the drafts Peter circulated below. I have also included a blackline of the MTSA against the November 7 rating agency version.

The changes to the IESO indemnity reflect changes made to the management agreement indemnity. The changes to the MTSA include DBRS comments, Stikeman/IESO comments, Torys comments and the changes made to the management agreement indemnity.

Please note that the attached are being circulated to OPG concurrently and remain subject to their review and comment.

Thanks,
Brett

Subject: Fair Hydro -- Master Transfer and Servicing Agreement / Management Agreement

All,

Please find attached revised drafts of the management agreement and the MTSA. I have included a blackline of the management agreement against the draft circulated by Osler on Wednesday evening and a blackline of the MTSA against the version sent to the rating agencies.

These drafts remain subject to ongoing review by OPG and the MTSA is subject to the IESO's continuing review, including, in particular, the form of indemnity. You will see that we revised the section of the management agreement pertaining to OPG's obligation to review electricity vendor records – further to the call this morning, we await further details regarding the dealers' proposal on this point.

Thanks,
Brett
