Amelia, further to my voice mail, attached is a revised draft of the Agency Agreement, clean and blacklined to the draft circulated last night. We need to send a substantially final draft of the Agency Agreement in the package that is being sent to the Province this afternoon and would therefore ask Osler to confirm they are comfortable with the changes reflected in the attached as follows:

Redacted - Commercially Sensitive

Thanks, and please let me know if you are signed off (or give me a call to discuss) as soon as possible.

All,

Please see attached an updated draft of the Agency Agreement, in clean and blackline to the Torys mark up from last week. We also wanted to address the two points Rima raised in the email below - our comments noted in-line below, in blue and reflected in the attached draft. We've aimed to address and raise all comments received and wanted to recirculate the revised draft today, as requested; however, please note that this agreement remains subject to further review and additional comment by the dealers given certain absences this week.

Kind regards,
Amelia

Subject: Fair Hydro - Agency Agreement (Draft - Nov 1, 2017)

All,

For your review and comment, please see attached a preliminary draft agency agreement with respect to the Fair Hydro Trust offering.

Please note that the attached is being circulated concurrently to the dealers in the interests of time and, accordingly, remains subject to their review and comment in all respects. The current document has been prepared as a Canadian-style agency agreement. There are certain draft notes where we have noted content that will require review/refinement as the other offering documents (preliminary OM, term sheet once available, etc.) progress and/or become available for review.

Kind regards,
Amelia
