Subject: FOR IMMEDIATE REVIEW: FHP communication materials
Attachments: fact sheet.docx; Fair Hydro Tech Briefing Plan.docx; Technical Briefing OFHP Financing updated Feb 2.pptx

Hello all,

Attached are the following communications documents:

- Updated technical briefing deck (updated based on recent developments and a bit of info on the deal process – see what you think)
- Technical briefing communications plan
- Fact sheet (would be handed out at the briefing – redundant with deck but MO wanted one)

We are assuming Wednesday for the briefing, but understand that could move up to Tuesday. I've shared timing with the Ministry.

Now that this has moved up we need to finalize materials quickly. I've committed to send materials to the Ministry on Monday and I'd like to share with Jeff once reviewed by this group. Please review and comment on the weekend.

John/Ken, hopefully I've caught you before you hop on a plane and you'll have lots of time to read.
