Ken, I didn't see any comments in the slides, so I think likely made the changes directly to the slides.

Redacted - Commercially Sensitive

See attached comments and edits for the additional slides.

Sheen

Can you update the table as per my comments. I am not able to edit since it is a picture. For now just

Redacted - Commercially Sensitive

Thanks

John

John,

I've discussed this with Sheen, and we require clarification of a couple of things:

Lubna

Ken H. Is looking for the 2 slides. One on the comparison against the FAO cost of the program vs what we actual fund. The other slide on the relative cost of the program vs the electricity sector.

He is looking for something be the end of the day. Draft is good enough

John
