Subject: Fair Hydro Preliminary Draft Offering Memorandum

Moody's Team,

We have attached a preliminary draft of the Offering Memorandum. Typically we would not share the current form of the OM at this early stage, but we think it may help to advance your process by offering a high-level summary of the market, roles of the various participants and structure. It is worth noting that the OM is not synchronized with the most recent versions of the underlying documents.

As always, please let us know if you have any questions.

Subject: Fair Hydro Materials

Moody's Team,

Further to our kick-off meeting on October 3rd, I have attached a comprehensive presentation which contains information about the Ontario Electricity Market, Transaction Overview, Key Agreements and other information that we hope you will find helpful in your understanding and analysis.

In addition I have attached drafts of the Declaration of Trust and Management Agreement. The Declaration of Trust establishes a trust for the purpose of carrying on the activities of a financing entity as defined in the Ontario Fair Hydro Act, 2017. The Management Agreement delegates to OPG all powers and duties of managing the financing entity.

Please let us know if you would like us to arrange a call to walk you through these materials and provide context. Alternatively as you are going through the materials please reach-out with any questions you have.
