Scott:

As discussed, attached is the latest draft work plan with initial timelines.
Feel free to share with the group. As Ken noted below we can walk through the key activities tomorrow.

For sure. We are working on that now. The detail is really just so we are tracking everything. We will ensure we walk through key activities only.

Hi Ken: hope you're keeping well.

For tomorrow's implementation meeting we'd like OPG to provide an update on its key streams of work and deliverables.

Although your folk have sent over a detailed work plan (which is helpful), it goes into a bit too much detail for tomorrow meeting. Would it be possible for you to "walk-in" a couple of pages that provides the highlights? It would be really helpful.

Thanks, Steen
