Hi Shruti

Hope this finds you well. I just wanted to follow up on my email below with respect to the lessons learned exercise. I'd like to schedule it now that we've completed a few equity subscriptions. Any update you can provide on whether OFA and Energy have had a chance to consider this further and when we might schedule something?

Look forward to hearing from you
Regards,
Clara

I'd like to propose we conduct our due diligence exercise before this next transaction if at all possible. I am attaching the template we use to record our lessons learned. I can send out a meeting invite once we've settled on a date.

Thursday Apr 5 anytime after 10am works for the members of our team; let me know your team's availability that day or propose an alternate.
