We're planning to talk to Shruti on Monday, but want to touch base with the OFA first.

Okay, can you keep us copied on emails with Energy/province? Have you already talked to Shruti? Tuesday is a tight timeframe, would want to make sure that they are made aware of this. The new government will have an interest in this transaction... Is there any comms around it?

We usually inform Shruti, but in this case, we're going to also touch base with the OFA (Gady and Mike Manning).

Thanks. Will do.

On the timing issue. Does the province need to approve that or does it just happen? (i.e. do we need to inform anyone that this is happening across the street?).
