

**HER MAJESTY THE QUEEN IN RIGHT OF ONTARIO, AS REPRESENTED BY THE
MINISTER OF ENERGY AND THE MINISTER OF FINANCE**

AND

ONTARIO POWER GENERATION INC.

CHANGE OF LAW PROCESS AGREEMENT

Dated as of December 21, 2017

This **CHANGE OF LAW PROCESS AGREEMENT**, between Her Majesty the Queen in Right of Ontario, as represented by the Minister of Energy and the Minister of Finance (the “**Province**”), and Ontario Power Generation Inc. (“**OPG**”) is made and entered into as of December 21, 2017.

RECITALS

OPG is appointed as the Financial Services Manager under Section 18 of the *Ontario Fair Hydro Plan Act, 2017* (the “**Act**”).

Pursuant to Section 22(2) of the Act, OPG, in its capacity as the Financial Services Manager (the “**FSM**”), may establish or cause to be established one or more financing entities (as defined in the Act), which may incur Funding Obligations in accordance with the Act.

Pursuant to a Declaration of Trust dated as of December 20, 2017, the Financing Entity was established as a “financing entity” (as defined in the Act) for the purposes contemplated in the Act.

Concurrent with this Agreement, the Province, the FSM, the Financing Entity and the Indenture Trustee will enter into the Change of Law Protection Agreement under which the Province will agree to provide protections and assurances to the Indenture Trustee, for the benefit of the Beneficiaries, in respect of Obligations Secured that constitute Approved Obligations, in order to address concerns that would arise from a change or adverse determination of law, subject in each case to the satisfaction of the applicable Adherence Conditions.

Prior to entering into this Agreement, OPG provided the Province with the final forms of certain of the Transaction Documents, as described on Exhibit “A”, and the Province has not objected to such forms and hereby confirms to OPG that such Transaction Documents will constitute “Reference Documentation” for purposes of this Agreement.

Prior to entering into this Agreement, OPG, as the FSM, provided the Minister of Energy, in compliance with the Act, with the initial Financing Plan, which includes the initial forecast (the “**Initial Forecast**”) setting out OPG’s expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the 24 month period from December 1, 2017 to November 30, 2019 (the “**Initial Forecast Period**”). Prior to entering into this Agreement, OPG provided the Province with the initial Protection Agreement Maximum (the “**Initial Protection Agreement Maximum**”). The Province has received the initial Financing Plan and has not disagreed with the Initial Forecast or the Initial Protection Agreement Maximum on the basis of an apparent inaccuracy in the Initial Forecast, an inconsistency between the Initial Forecast and the initial Financing Plan, or as a result of the Initial Protection Agreement Maximum being more than the Initial Forecast.

This Agreement sets out the obligations OPG has agreed to perform and assurances OPG has agreed to provide and on which the Province will rely in entering into and implementing the Change of Law Protection Agreement, including for the purposes of determining whether the applicable Adherence Conditions have been satisfied and maintaining information related to the Program Agreements and the Approved Obligations.

All things necessary to make this Agreement a valid and legally binding agreement of OPG and the Province, have been done.

AGREEMENT OF THE PARTIES

In consideration of the respective agreements herein contained, the parties hereto covenant and agree as follows:

 - (B) extend, renew, compromise, novate, replace, suspend, reconvey, terminate, abandon, subordinate, exchange, substitute, transfer, compound, liquidate or enforce the terms of all or any part of the Approved Obligations or any Collateral, if any such action could reasonably be considered to have a Material Effect; provided, however, that the foregoing does not apply to any such action taken in respect of particular financial terms, rates or levels; or
 - (C) permit the validity or effectiveness of the Change of Law Protection Agreement to be impaired.
- (b) If any action restricted pursuant to Section 2.02(a)(v) is reflected in a delivery required to be made by OPG to the Province pursuant to Section 2.01(b) and is not objected to by the Province under Section 3.04(b), the Province shall be

deemed to have waived its rights in respect of such action under Section 2.02(a)(v).

 - (v) after the occurrence of any Protection Event (or any event or circumstance known to OPG that with the passage of time or the giving of notice would be a Protection Event), not, without the Province's prior written consent, permit the Financing Entity to exercise any redemption, pre-payment, early termination or extension right in respect of any Approved Obligation or exercise any other election or privilege in respect of any Approved Obligation, in each case if as a result the obligations applicable to the Approved Obligation under the Change of Law Protection Agreement would be accelerated, delayed or otherwise affected.
- (d) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement between the Province and OPG dated June 1, 2017 (as amended, the "**Indemnity Agreement**") are not amended by this Agreement and continue in full force and effect, notwithstanding that this Agreement is entered into subsequent to the Indemnity Agreement.
- (e) The Province and OPG acknowledge that their obligations to each other under the Indemnity Agreement are not amended by the Change of Law Protection Agreement and continue in full force and effect, notwithstanding that the Change of Law Protection Agreement was entered into subsequent to the Indemnity Agreement.

ARTICLE III PROCESS CERTIFICATE

3.01 Process Certificate

OPG shall deliver a certificate (the “**Process Certificate**”), signed by the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) and addressed to the Province, on or before the incurrence or any amendment of a Funding Obligation, other than any Funding Obligation under which not more than \$5,000,000 in the aggregate may become payable by the Financing Entity (provided that delivery may not be more than 5 Business Days before the incurrence or amendment of the Funding Obligation), setting out the following with respect to such Funding Obligation:

- (a) the material terms of the Funding Obligation pertaining to (i) in the case of notes, bonds or other securities, the principal amount, interest or discount rate, third party fees, term to maturity, amortization, redemption or extension features, structure and coupon frequency, as applicable, and (ii) in the case of a Derivative Agreement, OPG’s best estimate of the expected notional amount, financial terms and pricing, benchmarks, payment structures and early termination rights;
- (b) if an existing Funding Obligation is proposed to be amended, material details respecting such amendment, including regarding the applicable details set forth in Subsection 3.01(a), as the context requires;
- (c) a statement to the effect that: (i) the Funding Obligation to be incurred or amended (1) will arise under terms and conditions that are Substantially in the Form of the Reference Documentation applicable thereto; (2) in the opinion of the signatories to the Process Certificate, are reasonably incurred or effected in compliance with the Act, the General Regulation, any other enactments related thereto and the applicable Financing Plan; (3) are of a type and are on terms that a reasonably prudent financial services manager would incur in similar circumstances; and (4) reflect, in all material respects, arm’s length terms and conditions; and (ii) any Disclosure Document used in connection with the offering and sale of notes, bonds or other securities is Substantially in the Form of the Reference Documentation;
- (d) a statement confirming that any disclosure made in respect of the Funding Obligation (including any Disclosure Document, press release or other written communication prepared for dissemination to third parties in relation to the Funding Obligation) that refers to or describes the terms, effect or adherence of or to this Agreement or the Change of Law Protection Agreement has been made available to the Province prior to use or dissemination, other than where such disclosure was substantially the same as a disclosure previously made;

- (e) a statement that no Breach Event has occurred on or prior to the date of the Process Certificate, unless such Breach Event has been waived by the Province in writing; and
- (f) confirmation that, at the time the Funding Obligation is incurred or amended, the maximum aggregate payment amounts due or becoming due in the future in respect of Repayments under the Funding Obligation, together with all other outstanding amounts due or becoming due in the future in respect of Repayments under all Approved Obligations, do not and will not exceed the Protection Agreement Maximum applicable on the date that the Process Certificate is delivered; for clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be determined on the date the Process Certificate is delivered hereunder in accordance with the following:
 - (i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and
 - (ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.

3.02 Acknowledgement regarding delivery of certificate under Change of Law Protection Agreement

The Province acknowledges and agrees that, concurrent with the delivery of the Process Certificate pursuant to Section 3.01 of this Agreement, the Chief Financial Officer and the Treasurer of OPG or any two Executive Officers of OPG (for clarity, such certificate is to be provided by such officers in their capacity as officers of OPG acting in its capacity as FSM) are authorized to deliver the certificate referred to in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement to the Indenture Trustee confirming that OPG has complied with all of its obligations to the Province and internal requirements and processes in connection with adherence of the Limited Guarantee to the incurrence of the Certified Primary Obligations in respect of which the certificate in Subsection 4.02(a)(ii) of the Change of Law Protection Agreement is being delivered; provided that, upon receipt of a Suspension Notice under the Change of Law Protection Agreement, OPG covenants not to deliver any further certificates to the Indenture Trustee under Subsection 4.02(a)(ii) of the Change of Law Protection Agreement.

3.03 Acknowledgement regarding delivery of Suspension Notice

The parties acknowledge and agree that the Province is entitled to deliver a Suspension Notice under Section 7.01 of the Change of Law Protection Agreement if a Program Breach or Breach Event has occurred. The Province agrees not to deliver a Suspension Notice pursuant to Section 7.01 of the Change of Law Protection Agreement unless a Program Breach or a Breach Event has occurred.

3.04 Meaning of “Reference Documentation”

For the purposes of Subsection 3.01(c), the term “Reference Documentation” shall mean each Transaction Document that, at the relevant time:

- (a) is a Transaction Document listed on Exhibit “A”; or
- (b) is a Transaction Document (including any amended or amended and restated Transaction Document) provided to the Province in accordance with Subsection 2.01(b) that has not been objected to by the Province, by delivery of an objection notice in writing delivered to OPG, within 10 Business Days after it is provided to the Province; provided that the Province (i) shall only be entitled to deliver an objection notice if the Transaction Document (including any amended or amended and restated Transaction Document) has a Material Effect and (ii) shall not be entitled to deliver an objection notice in respect of any Post-Suspension Refinancing.

3.05 Meaning of “Substantially in the Form”

For the purposes of Subsection 3.01(c), the term “Substantially in the Form” shall mean:

- (a) with respect to the Reference Documentation referred to in clauses (i) to (xi) of the definition of “Transaction Documents”, that there are no differences between the proposed documents and such Reference Documentation that could result in a change in the material terms or conditions applicable to the applicable Primary Obligation that could have a Material Effect; provided, however, that the foregoing does not apply to any particular financial terms, rates or levels; and
- (b) with respect to the Reference Documentation referred to in clause (xii) of the definition of “Transaction Documents”, that there are no material differences between the form and substance of the proposed Disclosure Document and such form of Disclosure Document and that the proposed Disclosure Document complies in all material respects with all applicable securities disclosure requirements relating to the Primary Obligation subject to distribution thereunder.

ARTICLE IV PROTECTION AGREEMENT MAXIMUM

4.01 Protection Agreement Maximum

- (a) Between nine (9) and twelve (12) months prior to the end of the Initial Forecast Period, OPG shall, as the FSM, deliver to the Province an updated forecast setting out the sum of (1) the aggregate amount of Repayments that will arise in the future under Obligations Secured that are then outstanding and (2) OPG’s expectations regarding the aggregate maximum amount of Repayments that would arise in the future under Obligations Secured to be incurred during the period ending 24 months following the Initial Forecast Period, which expectation shall be consistent with the then applicable Financing Plan. Such updated forecast

shall be further updated on a similar basis with respect to each successive 24 month period or more frequently if at any time OPG has knowledge that the most recent forecast is materially inaccurate (the Initial Forecast and each such updated forecast, each a “**Forecast**”). Together with each Forecast, OPG shall also provide a revised Protection Agreement Maximum, which may not exceed such Forecast.

- (b) Not more than 10 Business Days, or such lesser period as the Province may agree to in writing, following receipt of any further Forecast and notice of the revised Protection Agreement Maximum from OPG pursuant to Section 4.01(a), the Province may disagree with such further Forecast or revised Protection Agreement Maximum on the basis that (i) there appears to be inaccuracies in such further Forecast, (ii) the further Forecast is inconsistent with the Financing Plan, or (iii) the revised Protection Agreement Maximum is more than the further Forecast. If the Province disagrees, OPG shall discuss any discrepancies with the Province, address any inaccuracies and inconsistencies to the reasonable satisfaction of the Province and OPG, and the revised Protection Agreement Maximum will be further revised accordingly and confirmed by an amended notice to the Province.
- (c) For clarity, Repayments under Obligations Secured owing in currencies other than Canadian dollars will be valued at the time to be determined for the purposes of this Section 4.01 in accordance with the following:
 - (i) where a Derivative Agreement has been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the hedged value expressed in Canadian dollars; and
 - (ii) where a Derivative Agreement has not been entered into to hedge related currency exposures, Repayments under such obligations shall be valued on the basis of the noon spot rate for conversions of any currencies into Canadian dollars.
