Hi Sandra,

Attached are our current materials for Chapter 2.

I think the plan is for the Deputies to take the initial questions, but then call upon experts as necessary.

Yes, we are also working with the IESO and OEB on chapter 3 materials.

Martin

Hi Martin,

Can you advise if there are any materials that will be shared with OPG in advance of the dry run next Wednesday?

Also, it would be helpful to know if you think OPG will be called on or if it is likely that the Cabinet Secretary or DM Ministry of Energy will handle most questions or will it run more similarly to the Estimates Committee Appearance in the Fall.

Are you prepping any material on Chapter 3 (IESO audit), as well?

Thanks,
S.
