Morning

I believe all of you are on the MKRR distribution, but I wanted to make sure you saw this month's as it has a good overview of the corporate strategic plan and business plan. We should all be familiar with this and ensure it informs our work plans etc. and also ensure that our staff are aware of this as it's been noted in various surveys that this does not always get driven down through the company.

I'd also like to start taking about the scorecard at our regular meetings.
