Hi Dan. This aft I got (and accepted) an invitation from Andrew Brinn to a meeting at Grenville on Monday at 2, which I thought was to discuss this. In any case, I am flexible on Monday, so if you wanted me to come down earlier or stay later I could certainly do so.

Dan,

I see there will be a meeting on Friday to discuss potential regulatory changes. Unfortunately I will be in a hearing that day and so will not be able to attend. However, I have been thinking about what changes might be required, and in an effort to be helpful, am attaching an annotated version of the current OESP Reg with some initial ideas. Please note that this is just for discussion purposes and does not reflect the official position of the OEB.

Happy to discuss. I am in the hearing this Thursday and Friday but generally around next week.
