Subject: RE: Registering OEB as a Program Participant for OESP Cost Recovery.

Hi Jeanette.

We will need to brief our Chair on this and Brian (Hewson) was asking what the specific provision is that requires the OEB to be registered as a program participant for the purposes of recovering OESP related costs from the variance account.

Could you please have someone let me know?

Thanks, Donna

Donna,

Dusty can help get the OEB registered as a program participant so that any administrative costs can be recovered through the variance account until it is depleted and then directly from provincial tax revenue.
