Go with OESP – while OFHP made the changes to OESP, the OEB cost submissions will be part of the OESP as a program participant. How is that for acronyms?

Hi Donna, (Jeanette question at the bottom)

For our conversation today.....two parts to complete. I had my student create you a step by step guide for part 2 (which I have attached) and I will talk/walk you through about step 1.

- 1) Step 1 - Register your organization (most steps online) – process typically takes from start to finish – 10 business days
- 2) Register your organization as a program participant (all steps online) – process typically takes from start to finish – 10 business days

Jeanette, one question for you are we going with “OESP” or “OFHP” right now I have it as Ontario Fair Hydro Plan (OFHP).

Dustin

Thanks Jeanette.

Hi Dustin. Would we be able to touch base this week to find out what the OEB needs to do to get set up as a program participant for OESP cost recovery? I have some time tomorrow between 11 to 12 or 1 to 2 if you are free. Alternately I could do 9:30 or 11:30 on Friday.

Thanks, Donna.

Donna,

Dusty can help get the OEB registered as a program participant so that any administrative costs can be recovered through the variance account until it is depleted and then directly from provincial tax revenue.
