Just a couple of things to note.

NG expansion is a live proceeding and she is happy that Future Projects is last on the agenda since items 1, 2 & 3 are fairly important and may take a bit of time to discuss

 Subject: Lunch Agenda

Good Afternoon:

Subject to the Chair's concurrence - please find enclosed our proposed list for topics to discuss at the luncheon this coming Thursday.

Reminder, due to anticipated votes and post-QP scrums, we are booked for 12.30pm at the Main Legislative Assembly Dining Room, but also see that we have an update with Matt and I directly prior, so we'll be spending a fair bit of time together this Thursday.

Please let me know if anything here is either unclear or not ready / appropriate for discussion with Minister of Energy.

Take care,

Proposed Agenda -

1. Ongoing Activities
 - a. Natural Gas Expansion
 - b. Renewable Natural Gas
 - c. Petrol Pricing Study Work-plan
2. Implementation of Ontario Fair Hydro Plan (OFHP)
 - a. Ontario Electricity Support Program
 - b. First Nations / On-Reserve Rates
 - c. "Red Tape Challenge" Regulatory Flexibility Initiatives
3. Long Term Energy Plan Workstream
 - a. Climate Change Adaptation

- b. Cyber security
- c. Reliability Metrics / LDC Scorecard
- d. IESO Market Reform Working Group
- e. RPP Pilots & Next Steps

4. Future Projects

- a. TB/MBC Agency Mandate Review
- b. Affiliate Relationship Code (ARC)
- c. LDC Consolidation Activity
