It is being worked on. With respect to LEAP, the 2015 results have not been released yet but should be shortly. 2016 data is not due to the OEB until the end of April and will likely be released in late summer.

Thanks, Donna

Hi Donna,

Just a gentle reminder on this request.

Also, with respect to LEAP, I suspect that this information may also be publicly available? If that is the case, if you could point me in the right direction, that would be great.

Thanks,

Michael

Hi Michael. Any chance this can wait until Tuesday?

Subject: OESP and LEAP data

Hi Donna,

Could you please let me know whether the upgrades to OESP ICF system functionality will allow you to identify the number of OESP applications or approvals related to each LDC? If so, would you be able to share that?

Also, I understand that each year LEAP funding is used up completely very early in the year by some LDCs, and may not be fully depleted for others. Is that information you could also share?

Thanks,

Michael
