Dear Mr. Capon:

I am writing in response to Minister Chiarelli's recent letter to you, regarding matters discussed at the "Leaders in the Legislature Energy Roundtable" held on November 26, 2015.

The Ontario Energy Board (OEB) recognizes that First Nation communities have unique issues and concerns in relation to the electricity and gas sectors in Ontario. There may be several approaches that I believe could provide the First Nations the opportunities to enhance representation at the Board.

I would very much appreciate having a chance to further explore the different options with you. My office will be in touch with you shortly to discuss the possibility of scheduling a meeting in the coming weeks.

I look forward to having the opportunity of meeting with you in the near future.

Yours truly,

Rosemarie T. Leclair
Chair & CEO
