Thanks Brett. No details as yet, we are working on it. Will send the draft letter shortly. Could I please ask for a quick turnaround as we are aiming to send out this afternoon.

Thanks Donna, I look forward to participating / observing on that. No LDC meetings planned this week.

Could you provide a couple more details on timing / scope for the communications? The question came back to me a couple times in discussions on progress re: OESP.

Yes, we are planning now.

A separate question, do you know when the LDC working groups are for this week?

We are planning to send a letter to utilities today about what they need to do to their systems for OESP changes May 1st. I will share with you shortly FYI. We want to have in a time for a question / answer conference call Wednesday or Thursday.

D.

Donna,

Can you please remind me – is there another wave of communications in the works?
