Subject: Letter to utilities on system changes for OESP
Attachments: Letter to Utilities - Tariff Increase - Mar 27-17.docx; Utility Interface Inventory Spec V1.9.pdf

Hi Brett. As per our quick conversation, attached is the letter we intend to send out to utilities today to provide direction on changes that they will need to be able to make to their systems to accommodate the proposed OESP changes for May 1st. The letter has been reviewed by Brian and legal counsel. I've also attached the specification document referred to in the letter.

Please let me know if you have any questions.

Thanks, Donna.
