Those are still being worked on. If we have finals before the meeting those will be sent, I'm trying to get "final drafts" now.

Hi Neil,

Do you also have copies of any news releases or backgrounders that will be issued? Folks would like to review in advance of the meeting.

Thanks,
Martin

Hi Neil,

Thanks very much for the deck. We're looking forward to the briefing.

After reading the deck we'd like to know what the major cost drivers are for the year-over-year increases in total natural gas bills, excluding cap and trade costs (shown on slide 23). For example, what portion is commodity and what portion is distribution?

It would be great if you're able to share some basic data on this before the meeting. If not, please come to the meeting ready to speak to it.

Thanks,
Martin

Hi Neil,

Do you have a rough estimate of when you'll send the RPP/GRAM briefing product/s for Wednesday's DM/Cos briefing?

We would like to share with folks for review in advance.

Thanks,
Martin

Sounds good. RRP will probably be 45 and gram 15. If I was to guess.

Hi Neil,

The MO has now requested that the briefing cover the RPP as well as GRAM. Can you please ensure the materials cover both topics.

We will expand the meeting invite to an hour as a result.

Thanks,
Martin

Thanks, Neil.

It would be great to get a draft product at least a day in advance of the briefing for people to review prior to the meeting.

Hi Neil,

As you will have seen, OEB has been invited to brief the Deputy and the Minister's Office on the RPP scheduled for June 21st. If a briefing product could be provided to us by the 19th, we would appreciate it.

Let me know if you have any questions.

Thanks,
Martin
