Subject: OESP Workflows

Hi Donna,

As discussed at the working group meeting yesterday, attached are two draft workflows for reference by legal counsel of both MCSS and OEB, depicting how we envision the key points of client data transfer. I'm sharing the workflows with you for your initial feedback prior to providing to legal counsel and will set up a meeting with you early next week to review the workflows. Following that, I will schedule another meeting later in the week to review with both MCSS/OEB legal counsel.

Thanks,
 Shannon
