Jeanette

The OEB will be having a Cost of Service Orientation day on Tuesday July 25th for those LDCs that are filing a cost of service rate application in 2018 and 2019.

Nancy Marconi will be doing a presentation on the Fair Hydro Plan and the GA and we anticipate that there may be some questions on settlement.

Dan Gapic will be doing a presentation later in the day on accounting related to the FHP but we were wondering if there was someone from the IESO who could attend in the morning when Nancy is presenting to address any specific questions on settlement?

The presentation is currently scheduled for 9:15 am but could be moved during the day subject to availability.

Thanks

Jane
