ONWAA is headquartered in Garden River which is only a few minutes away.

Also, Batchewana itself has an intake agency about a city block away from their Band Council office.

Batchewana Bay (about an hour away) does not have its own agency in the community but is serviced by ONWAA.

Hope that helps.

Thanks, Donna

Hi Donna:

Michael is supporting me on this. Yes, Batchewana is near SS Marie.

Thanks!

A.

Is Batchawana not near Sault Ste Marie? I believe that is where ONWAA is headquartered but will check in the morning.

Hi Donna,

I am assuming you would also not have information on Batchawana participation numbers. Do you happen to know if they have an intake agency?

Thanks,

Michael

Hi Michael. I am unable to identify applications by region / community, only by utility or applications submitted by intake agency. Grassy Narrows does not have its own intake agency, I do note that they are on the list that ONWAA has undertaken an intake session for but don't have the date (beyond that it was before March 14, 2016).

Thanks, Donna

Hi Donna,

I hope you had a nice weekend.

The Ministry is apparently meeting with this community shortly.

Are you able to let me know if they are participating in the OESP, and if so, what the uptake is?

Folks are hoping to get this information for today if at all possible.

My apologies for these one off requests.

Perhaps if this disaggregated information is readily available to you as part of the weekly Friday updates, and if it wouldn't be too much trouble (I'm not sure how automated the process is now), an aggregated and disaggregated number for FN and Metis could be provided? That would probably help reduce some of these FN requests.

Happy to discuss, and thanks in advance,

Michael
