Subject: Option for OESP bill insert - available soon

Hi David and Mike.

We've been presented with an opportunity by MoF and ENE to include an OESP bill insert in the 2017 Child Care Benefit notices in July. The attached insert has been developed and is in final approval with CRA which is expected in the next day or so before going to print.

Would MCSS consider using this same insert for the OW / ODSP insert? If so, we could add the 700,000 or so you would need to our existing print order and do at the same time (and we would cover the incremental cost).

Thoughts?

D.

Thanks, Donna
